Subject: [IEEE R3] Educational Activities Report for 3/18/2012 ExCom Meeting

EDUCATIONAL ACTIVITIES REPORT FOR 3/18/2012 EXCOM MEETING

=====

OBJECTIVES

- Encourage each section to enhance its value to members by providing educational events.
- Provide resources, support, and encouragement to section leaders to facilitate effective educational events.
- Execute an educational event in 25% of sections in 2012

PLANS

- 1) Identify appropriate section leaders, build email list [complete]
 - Educational Activities Chairs within sections
 - Section Chairs for other sections
- 2) Do research to determine available resources [in process]
 - budget
 - R3 Ops manual
 - EAB Ops manual and resources
 - EAB SEOC
 - Center for leadership Excellence training
 - non-IEEE resources
 - continuing education requirements by state
- 3) Update R3 Educational Activities website:
 - existing resources (IEEE and non-IEEE)
 - contact info
 - goals
- 4) organize kickoff conference call:
 - communicate MGA and region vision (professional and soft skills)
 - share resources, tools
 - collaborate on best practices
 - brainstorm to develop innovative ideas
 - encourage sections to set event / activity goals
- 5) Establish periodic follow-up calls (quarterly?)
 - update goal status
 - share newly identified resources
 - share wins and lessons learned
 - encourage section leaders

ISSUES

- This is a first cut at the objectives and plans. I welcome any feedback.

ACCOMPLISHMENTS SINCE LAST REPORT

- None, this is the first report
