Member Engagement Activities:

Monthly Section Meetings

Last month the Section enjoyed a Technical Presentation entitled: Surveillance for Wildlife Observation, Preservation and Protection by: Julian Jarrett, Shaun Ramsay, Grevon Smith, Nicholas Cunningham and Christopher Pearson.

e-Membership

Jamaica is eligible for the IEEE e-membership programme.

The members who had not renewed this year, members who were found to be inactive and other interested persons were contacted by email last month to extend to them the opportunity to utilize e-membership and also the offer to pay half the price for membership for the remainder of the year. We plan to continue to focus on this membership drive during the remainder of the year to improve our membership.

Website - IEEE Jamaica Section

In honour of Jamaica's 50th Anniversary our webmaster Milverton Moore created a special piece on one of the robots used in competition at SouthEastCon 2012 by the University of Technology.

Milverton continues to keep the website current and provides valuable information for the Jamaica Section and Region 3. Milverton implemented the new IEEE web template in March and it has received very positive feedback. The IEEE Jamaica Section Website serves as our newsletter and the URL is as follows: <http://www.ewh.ieee.org/r3/jamaica>.

Jamaica Section Bid Proposal for SoutheastCon 2015.

Subsequent to our meeting with members of the Region 3 Conference Committee at SoutheastCon 2012 we initiated further discussion with The Hilton Rose Hall for hosting SoutheastCon 2015.

The Hilton confirmed that the dates for the Conference are available and have submitted a proposal to the Section. The Hilton has also extended an invitation to have R3 Conference Committee members enjoy a complimentary visit to the Hotel Resort. The Jamaica Section has asked members of the Conference Committee, Sean Haynes and Jim Conrad to indicate and confirm when they will be available to visit.

Barriers:

At present the Section has a few core persons who are members of the ExCom that are very active, however, there are positions within the ExCom that need to be filled and the challenge is to have other IEEE members take on these leadership positions.

Respectfully submitted:
