IEEE Central North Carolina 2013-2014 section report

2013 Section Officers:

Chair: Ibraheem Kateeb  
V-Chair: Rajeev Agrawal  
Secretary: Senanu Ocloo  
Treasurer: Marvin Neiditz  
Award: Numan Dogan  
Outreach: Numan Dogan  
Education: Dean Hoegemeyer  
Web master: Senanu Ocloo

In 2013, we had a seminar on Hybrid and Multiscale Simulation Technologies by Dr. Bo Zhao, Wave Computation Technologies and few technical meetings. We continued to have our regular executive meetings. Our section is an active member of Guilford County Education Alliance. Section has been participating in high school career fairs and this year was not different. We visited 2 high schools Dudley and Ben-Smith and talked to the students about their future careers. We volunteered at different schools in Robotics activities. Current chair (Rajeev Agrawal) has served as fund-raising coordinator for Grimsley High School Robotics team for two years. Section supported county level Math Counts contest. We collaborated with Charlotte section in taking the students to SoutheastCon. We helped a student team to participate in hardware competition.

2014:

Elections were held on Dec 5<sup>th</sup> and the following members were elected as section officers:

Section Chair: Rajeev Agrawal  
Section Vice-Chair: Franklin Suco  
Section Treasurer: Marvin Neiditz  
Section Assistant Treasurer: Dean Hoegemeyer  
Section Secretary: Senanu Ocloo  
Outreach: Numan Dogan  
Awards: Venkata Chivukula  
Educational Activities: Dean Hoegemeyer

Goal: We face ongoing challenge of lack of participation from IEEE members as volunteers. This year, we plan to organize a social activity for section members and their families at Greensboro Science Center. Hopefully, this program will allow members to network with each other and will result in better participation. We will start a joint communications and signal processing society chapter. Our other goal is to organize joint activities with neighboring sections.

Respectfully submitted,  
Rajeev Agrawal  
Central North Carolina (CNC) Section Chair
