Region 3 Past Director's Report

To: Region 3 ExCom
Cc: Region 3 Committee
Fm: David Green, Past Director, N&A Chair
Sb: Region 3 Past-Director's Report
Dt: 3 March 2014

We are off to quick start – IEEE meeting series in February, various planning activities, new projects for the Region, Sections Congress preparations, and our Region 3 Meeting now less than 2 weeks. Director Randall has assembled a great team and it is great to see everything come together.

One of the Past Director duties is to chair Region 3 N&A – a solicitation for candidates for Director-Elect 2016 has already been issued and plans are to have a slate ready for approval for the Region at the Region meeting at Sections Congress. Additionally, a Fellows Committee to promote Fellow nominations is being formed and N&A will be seeking to help identify candidates to serve on this important committee – if you have suggestions or wish to serve please contact me – thanks!

I continue to serve on IEEE's PPCT (Professional Productivity and Collaboration Tools) and look forward to exists formal unveiling at Sections Congress 2014. These tools should be helpful to volunteer groups and to both researchers and practitioners in their professional careers.

The Region gets the opportunity to submit some candidate recommendations to Sections Congress to be considered the top recommendations coming out of Sections Congress. We will be mailing the Section leaders (and copying the ExCom on more details) and hope to come out of our Region 3 Meeting with recommendations to forward Sections Congress.

Activities since last report (to Region 3 ExCom)

- 27 January - IEEE Professional Productivity and Collaborations Tools Steering Committee (NJ)

- 5 February - Region 3 MOVE Committee meeting (WebEx)
- 7 February - IEEE Professional Productivity and Collaborations Tools Steering Committee (WebEx)
- 12–18 February - IEEE Board Series (Los Angeles, CA)
- 19 February - Region 3 MOVE Committee meeting (WebEx)
- 25 February - IEEE Region 3 SPC (WebEx)
- (numerous work group meetings to support IEEE activities)
