Goals:

Increase member activity,
Host high quality activities,
Increase membership and make members more active in general.
Apply for volunteer awards.
Member social events – like end of year party, or watching a game together.

Milestones:

Ten meetings last year.
Supported Clemson University's student branch startup after a "cold period".
Pursuing setting up of another student branch at Bob Jones University.
Submitted annual report in a timely fashion.

Obstacles:

Distances – Members live around Clemson and Greenville. Two hours of travel to attend events.
Lack of member interest in attending and organizing programs.
