Subject: **Area 3 Report, 14-April 2014**
Date: 14 April 2014

At Southeastcon, I proposed to have the Area 3 Geography/Membership Survey completed by 15-Apr and to have hosted an online A3 administrative meeting by 1-May. I have to report that I hope to complete both of those by 30-May.

I have begun to reach out to contacts at Georgia Tech to begin engaging with other state-wide, or state-level, organizations involved with the engineering profession, but no "formal" meetings have been scheduled yet.

Sincerely,
Bill Marshall
