Hello Everyone:

During the Region 3 meeting at Lexington, Kentucky, the leadership Development and Regional Support Committee met on Saturday 15, March 2014. There were 9 participants in this meeting. The following topics were discussed:

- • Membership Engagement
- • Training Leadership
- • Employment discussions
- • Professional Development

There were 4 student members present in this meeting. They were interested in finding about Student Professional Activities Conference (SPAC). They were also interested in obtaining Student Leadership manual and how to interact with local section. Three students were from North Carolina State University.

The Region 3 officers present advised them how to get in contact with the local section and discussed with them how to arrange SPAC meetings and get funding.

The highlights of the Leadership Development survey:

1. There were 7 respondents for the Leadership Development survey
2. The functions for which the officers would like to be trained are as follow:
  - Serving on an Executive Committee (71%)
  - Program planning (59%)
  - Unit Finances (43%)
  - Member Development (43%)
3. There was no consensus on the time of training. (only two selected January)
4. The majority preferred webinar as form of training.
5. Two thirds of the respondents knew where to access online resources regarding the officers' responsibility.
6. All of the respondents said that they have no volunteer support from their section.
7. As far as the knowledge of IEEE organization and bylaws, the responses were evenly split. ( 4 yes and 3 no)

For details of the report, please see the attached file.

Respectfully submitted,  
G. Thomas Bellarmine  
Leadership Development & Regional Support Chair.

#	Response
1.	In the 3 above questions, on a scale of 1-10 (10 being knowledgeable, 5 being familiar, 1 being unfamiliar), I'd rate my 'No' as a 3! Not really happy with the survey. Survey's are difficult! I feel that I don't know enough to intelligently and knowlegeably respond. "You don't know what you don't know, until you do; and, then it's too late!"
