Sb: Region 3 Past-Director's Report

Dt: 12 May 2014

Final call before N&A starts to work on the received suggestions:

> One of the Past Director duties is to chair Region 3 N&A – a solicitation for candidates for Director-Elect 2016 has already been issued and plans are to have a slate ready for appoval for the Region at the Region meeting at Sections Congress. Additionally, a Fellows Committee to promote Fellow nominations is being formed and N&A will be seeking to help identify candidates to serve on this important committee – if you have suggestions or wish to serve please contact me – thanks!

Thanks to Chris Hardy for moving the Sections Congress recommendations process along. Our advocates are putting final touches on the submissions. Chris will talk about the final steps before these recommendations are submitted as well was the process leading up to the voting in Amsterdam.

Are all eligible ExCom members Senior Members of IEEE? – If not, I urge to fill out a self-nomination and if you can not find local references, call on your fellow ExCom members to help you with the recommendations you need to get the elevation and recognition you deserve.
