

Region 3 Past Director's Report

To: Region 3 Committee
Cc: Region 3 ExCom
Fm: David Green, Past Director, N&A Chair
Sb: Region 3 Past-Director's Report
Dt: 21 August 2014

I hope everyone had safe travels to Sections Congress. It is MGA's and the Region's biggest event and a lot of energy has been expended in organizing things for Section leaders. It is now up to us to make the most of this opportunity to gather information, skills, and motivation to take back to our sections as well as contribute our colleague wisdom back to IEEE in the form of our votes on recommendations to IEEE.

The R3 N&A Committee has shepherded the Director-Elect slate through the bylaws-specified process and its work will on this will be complete with a positive vote by the Region 3 Committee on 22 August. N&A has also assisted in identifying a new Automated Tools lead (welcome Jim Coor!). With the except of the Region Student Representative (being worked by Pat Donohoe, RSAC) the ExCom is at full strength.
