# Tallahassee Area Section Report

## 1. Introduction

The Tallahassee Area Section celebrated its 36<sup>th</sup> year in 2014. It has more than 300 members and covers Tallahassee and its surrounding areas, including Panama City.

## 2. Goals

- Increase Industrial Member Participation
- Continue membership development effort
- Officer Recruitment & Training
- Host technical and social meetings
- Attend Southeastern Conference 2014, Section Congress 2014
- Better Coordination with Student Clubs.
- Better use of vTools and Netsuite

## 3. Milestones

- Get several industrial members to participate in our meetings
- Recruit one member from industry to act as Secretary for our section
- IEEE Tallahassee Area Section Kick off Meeting, Feb. 13<sup>th</sup>, 2014.
- Engineering Week Celebration, February 21, 2014 – Capital City Country Club.
- IEEE Tallahassee Area Section end of academic year social Apr 22, 2014.
- Recruited/retained 20 student members
- Elevated two member to senior status.
- Send one member to IEEE Power Engineering Society annual meeting.

## 4. Obstacles

- Need volunteer to keep update with website
- Continued Officer and member involvement
