The Central Georgia Section did the planning for the Area 3 Picnic for 18-October (this Saturday). Attendance at this has been declining year to year, we believe because it's been at the same place. I had hoped to find an alternate venue, centrally located for this year, but didn't. Fortunately, the guys that have planned the picnic in the past were able to step up and get one quickly arranged and announced.

Regarding the funky zip code data for the Savannah Section, Donna McClelland indicated that: "If [the chairs of the Central Georgia and Savannah Sections] wish to change information regarding the boundaries, they need to contact us directly." I did pass that on to Chris Hardy, but can't remember if I did to the Central Georgia folks.

Do have the place for an Area 3 website setup, but have not yet put any content on to it.
