Dt: 13 October 2014

What a great Sections Congress! Congrats to Chris Hardy for arranging things and keeping us informed of changes. Good job to the R3 crew for a great R3 Region meeting 'pre-show'. I thought there was great collaboration between the various parts of IEEE to provide an informative experience for Section Leaders – I have heard that Section Leaders agree by giving the even the highest satisfaction score ever. I really liked the 5 minute, auto-slide turning Ignite talk format as an innovation. I have tried it in a scenarios since then with some success.

I hope to read about the impact of R3 and Section Congress activities in our next Newsletter.

The Region 3 Committee approved the Director-Elect slate at the Region 3 meeting in Amsterdam completing the N&A initiated process that started at the start of the year.
