TO: IEEE Region 3 Leaders – 5 June 2015

FROM: Mary Ellen Randall, Region 3 Director

SUBJECT: Region 3 Report

Thank you all! The Region meeting at SoutheastCon was well and enthusiastically attended. Special thanks to Eric Ackerman and Carlos Cabrera and team for all their efforts in chairing SoutheastCon. It is a big job to pull off a big event like this.

Although we are making some progress on Senior elevations, we are well behind what is needed to reach this year's goal. Your focus on this is appreciated, especially holding a Senior roundup which traditionally brings out non-traditional members.

Our 3 region special projects continue to progress. These are Volunteer Integration Process (VIP), First Year member experience, and MOVE (Mobile Vehicle for disaster relief).

The IEEE Board of Directors approved fundraising for the MOVE project. Now we are working with the foundation to set up a fund. Further, we have enhanced our relationship with the Red Cross. We have a draft of a vehicle requirements document nearing completion.

Region 3 newsletter articles are due ASAP to Bill Labelle. w.labelle@ieee.org
