Excom Members

As you know the Region has been active this year thus far.

Eric Ackerman and his SEC 2015 committee had a successful conference and provided the Region with about \$11,900 in surplus funds (that are not yet shown).

IEEE HQ has provided the annual rebate of \$82,400.

We have included the Region 3 Assessment in this accounting (abt \$33,000).

I have a few more expense reports to post to the accounts; these expenses will push us to the budgeted amount.

I will be traveling on vacation Monday night and will not attend the meeting via phone or computer.

Keep up the good work in the Region and as Lee would tell you, please do work with your members.

Sincerely,

Don Hill
