Awards and Recognition Committee Report

To: Region 3 ExCom
Cc: Region 3 Committee
Sb: Region 3 Awards and Recognition Committee Report
Dt: 13 July 2015

IEEE USA Awards nominations are now being accepted. Information can be found [here](#). IEEE USA is now using FluidReview for nomination submissions, so the process has been greatly improved over last year! When you click on the “nominate” link beside any of the award descriptions, it will take you directly to FluidReview. If you have a nomination that you submitted to FluidReview for a different IEEE Award (for example, a Region 3 award), and want to use that as a starting baseline for a nomination, please email me and I’ll see if we can transfer that information over. As always, please let me know if you need assistance with any nominations.

We did have several Sections that submitted nominations for the MGA Outstanding Section awards; unfortunately, none of our R3 Sections were selected as winners. Don’t give up, though – update the package and resubmit next year!

Respectfully submitted,

Jill I. Gostin

IEEE Region 3 Awards and Recognition Chair
