TO: IEEE Region 3 Leaders – 13 October 2015

FROM: Mary Ellen Randall, Region 3 Director

SUBJECT: Region 3 Report

Mohammed Hoque has been appointed Chair of Tri Cities Section. Please support Mohammed as he reactivates this unit.

The **MOVE Project** is progressing as we finalize specifications for the vehicle and work on the STEM exhibits which will be onboard when we visit schools. If you would like to help the MOVE Project (aka IEEEUSA Community Outreach), please consider a **tax deductible donation** at: <https://ieeefoundation.org/ieee-usa-community-outreach> **Even a small donation** will help send the message that our members feel such programs are important to them.

We are making some progress on Senior elevations, and October looks to be a promising month for applications. Your focus on this is appreciated, especially holding a Senior roundup which traditionally brings out non-traditional members. **Senior Member.is much appreciated** by those you invite to apply. This is a great way to engage members (and increases your section rebate for every year thereafter.) We were the **#1 region worldwide** last year. **Let's defend our title!!**
