

Region 3 Past Director's Report

To: Region 3 ExCom

Cc: Region 3 Committee

Fm: David Green, Past Director / N&A Chair

Sb: Region 3 Past-Director's Report

Dt: 14 December 2015

The end of the year is upon us. It has been quite an exciting two years under Director Randall. While there have been many successes, I think IEEE will long remember:

The major project established for Region 3 – IEEE Move – I anticipate positive impact on the Region, IEEE, STEM students, and the public for years to come. Consider helping by volunteering next year to be part of one of the many teams that will be formed and/or by joining me in donating to the project through a designated gift to the IEEE Foundation at <https://ieeefoundation.org/ieee-usa-community-outreach>.

It has been a pleasure to serve on her team with the rest of the ExCom and committee members. It is clear to me that we are stronger when we and our colleagues engage with IEEE to further common goals.

Over the last several months, I have been working with the Director-elect and his team to put together a team for 2016 and beyond. I expect that he will announce either as part of this meeting or as an announcement very soon. Some of the team met in Charlotte for a planning meeting recently and I am looking forward to great things in soon-to-be Director Conrad's term. I will be helping out in several ways including serving on the R3 Strategic Support Committee.

Major Activities since last report (to Region 3 ExCom)

- Weekly Collabratec Operating Committee Teleconferences
- Weekly Collabratec IT Meetings
- Weekly TechNav Committee Teleconferences
- Weekly IEEE Electioneering Committee Ad Hoc
