

Eastern North Carolina Section

SoutheastCon 2016 Report

- Hosted January Leadership Training with NC Council hosted in Raleigh
- Lower Cape Fear Subsection is now having meetings. Additional meetings in Greenville, NC.
- Found active section that we thought was inactive. They were not reporting L31 reports.
- Sending 2 members to Future Leadership Forum
- Have started a new IoT SIG based on industry demand
- Hosting RoboResearch with NC Council on May 20-21 in Raleigh (State wide Robotics conference)
- Planning several section events with MOVE vehicle
- Humanoid Robot Project funded by IEEE Foundation having weekly meeting with average of 30 people
- Family Summer event in planning
- Plan to start a Life Member Affinity Group
