Leadership Development and Regional Support Report

To: Region 3 ExCom, Region 3 Committee

Sb: Region 3 Leadership Development and Regional Support

Dt: 2 April 2016

The beginning of 2016 has been spent transitioning to new volunteers in the roles of the LDRS committee and its subcommittees, including a change to the committee after the year started (the change from Charles Lord to Jim Anderson for Chapter Rejuvenation is not currently reflected on the R3 website). The LDRS Committee has also been very actively involved in Region 3 training sessions at SoutheastCon. We are providing training for elected officers and other volunteer positions. We are also suggesting methods for recruiting and inspiring volunteers. The Volunteer Integration Process project is also continuing, now under the LDRS committee. See the SoutheastCon presentations on the R3 website for details on these items.

If you have leadership training needs or any questions, please feel free to contact me.

Respectfully submitted,

Jill I. Gostin, Leadership Development and Regional Support Chair
