

MOVE Community Outreach

An IEEE-USA Initiative

Mary Ellen Randall, IEEE Past Region 3 Director

MOVE: In a Nutshell

- **For** Disaster Survivors
- **Who** have survived the initial catastrophe,
- **MOVE** (MOBILE VEhicle)
- **Is** an IEEE Project that creates and operates a vehicle for disaster relief
- **That** provides needed communications, light & power support to victims
- **Unlike** some First Responder Efforts (e.g., ARRL, RACES)
- **Our project** is intended to help the disaster survivors by supplying valuable services until normal infrastructure is restored.
- **Additionally** it energizes the IEEE volunteer base, highlights skills, promotes public awareness and more
