To: r3-excom@ieee.org, sec-r03@ieee.org, Chase Battaglio &lt;ecbattaglio@gmail.com&gt;

IEEE SoutheastCon 2017 is only FIVE short weeks away!

Plans progress for an exciting week in Concord, NC.

Region 3 meetings begin at 4PM on Friday March 31 and continue to noon on Sunday April 2. Region 3 excom and Region 3 committee are expected to be at the meetings during that time, and will be reimbursed for travel and stay for that time by the region per travel policy.

PLEASE NOTE that there are numerous events occurring before the R3 meetings that you are invited to, but please note that the travel and participation costs are NOT provided by Region 3.

Wednesday - possible all-day tutorials TBA

Thursday - IoT Day - a full day of tutorials on the Internet of Things, with separate tracks for the C-level (top management), engineers, and makers/hobbyists. Cost will be \$99 which covers lunch and breaks. That evening will be an event on IoT Security, featuring a panel of writers from the engineering trade press.

Friday - There is an all-day workshop and training on the MOVE truck. We need a larger pool of trained volunteers!

Some extras this year:

- our awards banquet will be combined with the IEEE-USA awards! Should be a great show!
- our software competition this year is an 18-hour IoT Hackathon run by IBM, FAU, and myself

PLUS, since the Region meetings are in one room the entire weekend, we are setting that room up with tables and power strips for everyone and the room will be on 24-hour hold, so no setup/teardown from 4pm Friday to noon Sunday.

\*\*\*PLEASE REGISTER FOR THE CONFERENCE AND BOOK YOUR HOTEL ROOM\*\*\*

As of yesterday, we had a total of \*\* 97 \*\* registrations!!!

We will lose our room block if we don't use it!!!

The NC Council and SoutheastCon 2017 committee welcome you to Charlotte/Concord!!!

Charles Lord  
General Chair, IEEE SoutheastCon 2017  
Chair, NC Council
