Sb: Past Director's Report – March 20, 2017 ExCom

Dt: 18 March 2017

As MGA VP, my responsibility includes traveling to other regions, presenting the MGA strategy (which includes interesting feedback from members), and listening to the comments and suggestions from the leaders at these meetings. So far, I have visited regions 6 (West Coast), Region 10, Region 9 and by the time of our Region 3 meeting, Region 8. The information gleaned at these meetings is invaluable and I look forward to sharing this with you.

It will also be a privilege to share with you the MGA Strategy, how we derive it, and the results of recent segmentation studies which include the results for underserved groups in IEEE: Young Professionals, Women, Industry Professionals, and students.

I look forward to meeting with you, my home region, and welcome your thoughts.

Respectfully submitted,

Mary Ellen Randall  
IEEE Director, Vice President MGA  
MOVE Program Director  
Past IEEE R3 Director  
Past IEEE Audit Chair
