Subject: R3 Young Professional Report

Date: 17 July 2017

### 1) Young Professional Regional Membership

-- SAMIEEE report run in July 2017 shows 13,137 R3 YP members

### 2) Young Professional Section Membership

-- All sections (and Area chairs) should have received an email on 07/17/2017 with a list of their section's YP members.

-- All sections within Region 3 have enough members to create a YP affinity group. An online petition to do so can be accessed via this link.

### 3) Young Professional Focus Going Onward

-- To integrate and engage our Young Professionals into our technical societies; With this in mind, I exhort and encourage your section to create, at least, one Young Professionals activity during the rest of 2017 where we partner with a technical society engaging our Young Professionals by showing them the value of our great organization.

-- Encourage multi section Young Professional activities either social or technical depending on sections wants and needs

### 4) Miscellaneous

-- Feel free to contact me if you are in need of assistance with reaching out to your Young Professionals.

Thanks,

Daniel Diaz
