How Important Are Awards?

- We are a Volunteer-Driven Organization
- Awards show that hard-work is recognized and appreciated
- Awards encourage current volunteers to continue serving
- Awards inspire members to volunteer
- Awards are a sign of Section vitality

Region 3 FluidReview Portal

- Region 3 uses the FluidReview portal for awards nominations

- Allows updating / resubmission of previously submitted (non-winning) nominations!

https://ieee-r3.fluidreview.com/

- Select <Sign Up> on the right side (not same as IEEE credentials)

- Fill in requested information; you will receive an email confirmation

- Start early!
  - Gather information on candidate
  - Get two endorsement letters
  - Allow time for "features" of website

Write nomination specifically to a specific award's criteria

Region 3 FluidReview Portal

https://ieee-r3.fluidreview.com/

- Complete the nomination form for each award you wish to submit a nominee.
  - ➢ The nomination form includes the purpose of each award and a general and specific basis of selection for the award.
  - ➢ For most of the awards, two IEEE members must endorse the nomination.
    - ➢ Complete the "Request endorsement" tasks within the portal, providing the Endorsers' names and email addresses.
    - ➢ Endorsers will receive an email with a link directing them to the portal. They can either complete the endorsement form already in the portal or upload their own endorsement letter.
    - ➢ Nominators should also email the Endorsers to let them know to expect the email from FluidReview.

- Once complete, "Submit Nomination" within the Region 3 FluidReview Portal.

Region 3 General Criteria

- **Level and extent of distinction for specific award**

- **Productivity of contributions for specific award**

- **Service to Institute**

- **Service to profession outside of IEEE**

- **See Specific Criteria AND General Guidance sections for award of interest in ARC manual**

- **General descriptions of each award follow**

Region 3 Award-Specific Criteria

- **Daniel W. Jackson Award**
  Purpose: To recognize a <u>Past Director</u> who, through continuing service to the Region and to the Institute, has made exemplary contributions to the electrotechnology profession.

- **Joseph M. Biedenbach Outstanding Engineering Educator Award**
  Purpose: To recognize a member of Region 3 who has shared technical and professional abilities through <u>teaching</u> in industry, government, or in an institution of higher learning and in so doing has made an outstanding contribution to the electrotechnology profession.

- **Region 3 Outstanding Engineer Award**
  To recognize a member of Region 3 who, through <u>technical</u> and professional abilities, has made an outstanding contribution to the electrotechnology profession.

Region 3 Award-Specific Criteria (continued)

- **Region 3 Outstanding Service Award**
  Purpose: To recognize a member of Region 3 who, through service to the <u>Region</u> and the Institute, has made an outstanding contribution to the electrotechnology profession.

- **Professional Leadership Award**
  Purpose: To recognize a member of Region 3 for outstanding leadership efforts in achieving the <u>professional</u> [economic, ethical, legislative, social] aims of IEEE in the United States.

Feedback from 2017

› Some accounts not showing all the links necessary, such as links to endorsements
  – ARC chair inquiring about fixing this
  – Contact the ARC chair when have issues

› Unable to look up all data on requested nominee
  – ARC Chair is inquiring about whether this can be auto-populated for you given nominee name and IEEE number
  – Other options:
    ▪ Ask a member of your Section ExCom or an R3 officer (not a committee chair) to look it up for you
    ▪ Ask the nominee (it doesn't have to be secret)

› Other feedback? kristin.bing@ieee.org
