IEEE/ARC Agreement Highlights

- **IEEE Provides**

- MOVE truck provided at no expense to ARC (Funded by Donations)
 - IEEE covers truck maintenance, fuel, operational costs
 - IEEE trained team members to operate the truck and to assist with DST activities as required
 - IEEE trained team members to respond independent of the MOVE truck as regular DST volunteers
 - Portable Battery Banks for charging cell phones in the field

- **Red Cross Provides**

- Requests for MOVE truck
- Determine where to deploy the truck for best utilization
- Food and lodging for MOVE team members while on-site
