To: Region 3 ExCom

Subject: Region 3 /Area 9 Report

Date: 15 January 2018

Greetings from JAMAICA..

Im happy to represent the Jamaica ( Sun Island) section at the year 2018 , R3 ExCom.

There were no much activities, for 2018 , as we, Jamaicans celebrate Christmas and New year about almost a month :-)

Most **significant** event happened during November 2017 was the Visit of Mary Ellen Randall ( past director) , and Jim Conrad. (Immediate Past director)  
It was 8-11 November 2017.

Both, of them

1. were able to motivate our section members to actively participate in IEEE events

2. Encouraged members to apply for senior memberships ,

- . For the 1st time, SEVEN Jamaica section members were elevated to SENIOR member status.. lifting up the depleting moral of the membership..

Thanks

Damith Wickramanayake
