Director Elect Report

To: Region 3 ExCom
Subject: Region 3 Director Elect Report
Date: 15 January 2018

I am so excited to be stepping into my new role as Director Elect for 2018/2019. I look forward to working with all of you!

In December I attended the Region 3 Planning Meeting for 2018, in Atlanta. I believe we have built a good leadership team, with excellent committee leads. I have already participated in a Section Support Committee meeting. I believe the support group that has been put together will greatly benefit our Sections and Chapters. I also attended the first Strategic Operations and Support Committee meeting, and look forward to great leadership from this team of highly experienced IEEE volunteers.

I will be attending the Board Series meeting in Orlando in February. I am serving on the MGA Board this year as the TAB representative, so I will be learning a lot even before I step into the Region 3 Director role in 2020. I will also be continuing on the MGA Training Committee.

Please feel free to contact me at any time with your questions/concerns. If I don't have the answer, I'll help you find someone who does.

Respectfully submitted,

Jill I. Gostin, Region 3 Director Elect
