Section Support Committee Chair's Report

To: Region 3 ExCom & Region 3 Committee
Fm: Mark Torres, Region 3 SCC Chair

Sb: Region 3 SCC Chair's Report - March 19, 2018 ExCom

Dt: March 19, 2018

The Section Support Committee met on Feb 13 and Mar 13 with the primary focus of those meetings being 1) planning for SoutheastCon 2018 and 2) reviewing current and planned activities for each team member. The proposed SoutheastCon sessions have been approved and work is underway to complete the development of all presentations. The target is to have all session presentations completed by April 6th.

The sessions for the Young Professionals track are under development by Daniel Diaz and the YP team. Daniel has pulled together a "kitchen cabinet" and with the assistance of TJ Ross in the Florida West Coast Section they are meeting regularly to put together a SoutheastCon YP track. That work is being conducted with meetings lead by Daniel.

All Section should have received an email with a challenge to send a Young Professional to SoutheastCon. I urge you to make this a priority and complete the registration process this week.

Please feel free to contact me with suggestions to better serve our Region 3 members.

Thank you for all that you do for IEEE!

Mark Torres, PE
