Senior Member Update Report  
April 15, 2018

The Senior Member Update Reports provide the names of newly elevated IEEE Senior members and become available approximately two weeks following each Admission & Advancement (A&A) Review Senior Member panel meeting. The April 2018 A&A panel meeting is this weekend, April 21st, in Guadalajara, Mexico. Please expect results at the beginning of May.

There will not be an A&A Review in May. Please work towards the June A&A Review. The deadline for application submission is 13 June and the A&A Review is 23 June in New Brunswick, NJ, USA (R1).

You can still view the previous (March 19th) Update Report at

Thanks,  
Jacquelyn
