Director Elect Report

To: Region 3 ExCom
Subject: Region 3 Director Elect Report
Date: 16 April 2018

I have continued participating in several Region 3 committee telecons. Additionally, because I serve on the MGA Board as the TAB representative, I have written a report to TAB, summarizing the February MGA Board meeting.

I continue to serve on the MGA Training Committee, and have been working with IEEE staff to prepare a presentation on the updated Center for Leadership Excellence. I will present this at the R3 meetings at Southeastcon. I've also been preparing for the two MOVE-related training events at SoutheastCon – the Red Cross DST 101 class on Thursday, and the MOVE basic training on Sunday. Announcements about the training were sent out to all R3 members in Florida, and to everyone attending SoutheastCon. Those attending the Red Cross Training were also sent info about registering to become a Red Cross volunteer.

Upcoming IEEE meetings that I will be participating in (excluding Society/Council meetings):

- Thursday, 4/26 – meeting with Jill, Mary Ellen, Vera Sheroff to discuss adding MOVE training fields to the member database
- Friday 4/27 – MGA Training Committee
- 5/21 – R3 ExCom
- 5/24 – IEEE BoD
- 6/20-24 – IEEE Board Series

Please feel free to contact me at any time with your questions/concerns. If I don't have the answer, I'll help you find someone who does.

Respectfully submitted,

Jill I. Gostin, Region 3 Director Elect

jgostin@ieee.org

Jill I. Gostin

Deputy Director, Information and Communications Lab

Principal Research Scientist

Georgia Tech Research Institute

Office: 404-407-7417 Cell: 678-523-4989
