Sun, May 20, 2018 at 11:03 PM

To: Carroll Perkins <carroll.perkins@gmail.com>, Chase Battaglio <ecbattaglio@gmail.com>, "Charles J. Lord, PE" <c.j.lord@ieee.org>, Gregg Vaughn <g.vaughn@ieee.org>, Christopher Wright <wright.c@ieee.org>, Doug Turner <dturner3529@gmail.com>, "Roby D. Lovett" <robbydlovett@twc.com>, Bill Williams <billwill@triad.rr.com>, "Bob (Robert L.) Jackson" <rjackson@ieee.org>

### R3 Ex-Com meeting of May 2018 report by Winston-Salem section 30175

Comments from the chair:

1. The section is updating their by-laws to reflect current operating conditions. The updated by-laws will be submitted to the NC Council and R3 for approval.
2. The section is adapting a policy of monthly section Ex-Com meetings. Quarterly meetings will be a business luncheon and the other months the business will be conducted via email. I recommend that the NC Council hold quarterly face-to-face Ex-Com meeting on Saturdays by rotating between section locations.
3. The section stays current on filing L-31 meeting announcements and reports and current on filing L-50 treasury reports.
4. The section does not have a dedicated location for meetings and has difficulty utilizing IEEE web-ex sessions. We find the use of Google Docs and Google Group+ FREE services best for our communication and reports. I believe the reports and information provided by Christopher Wright should be the model. Low cost (FREE) and available to everyone. Think KISS!

### 2018 Accomplishments, YTD:

1. January meeting and presentation "Report for WIE NE Conference"
2. February meeting and presentation "Introduction to Mixxer Maker Fab Operation"
3. March meeting "Pi Day Networking Social"
4. April meeting and presentation "Preliminary Launch of WS IEEE Website"
5. May meeting and presentation "EMBS Overview and SECON Report"
6. "Grin and Grit" section newsletter was published.
7. Two meeting held on by-law updates.
8. Improved website in alpha testing. Responsive and interactive.
9. Support for local STEM instructors and projects initiated with Parkland HS, Carver HS, and Hanes Middle School.
10. Forsyth Tech CC EET department now has six ANET8A 3D printers after initial section funding of first kit. Printers are being utilized to print parts for drones and additional printers.

### 2018 planning includes:

1. June meeting and presentation "Introduction to Venture Café"
2. Tau Day, June 28<sup>th</sup> Networking social
3. July no meeting, vacation
4. October 2<sup>nd</sup> IEEE Day event (may be Saturday Oct 6<sup>th</sup> robot war event?)
5. Planning for 2019 SECON in Huntsville, AL
6. Establish video recording of all presentation and events.

Best regards,  
Carroll Perkins  
Chair, Winston-Salem Section
