Director Elect Report

To: Region 3 ExCom

Subject: Region 3 Director Elect Report

Date: 18 June 2018

I have continued participating in the MGA Training Committee, and am also serving on a TAB ad hoc to review the society membership renewal process. Both of these are very active groups, meeting regularly and making real-time changes to their respective websites, hopefully improving the website for volunteers and prospective members. Additionally I serve on the IEEE USA Awards committee, the Computer Society Board of Governors (and multiple sub-committees), and the Sensors Council ExCom.

We continue to receive requests from people about becoming involved with the MOVE truck and the Red Cross. I've provided instructions on the process, which does vary slightly depending on the local Red Cross group. It took me several months to get through the process; please be patient, and call the local Red Cross if you are not hearing back from them.

Upcoming IEEE meetings that I will be participating in (excluding Society/Council meetings):

- 6/20-25 – IEEE Board Series
- 7/13-15 – MGA Training Committee Face to Face

Please feel free to contact me at any time with your questions/concerns. If I don't have the answer, I'll help you find someone who does.

Respectfully submitted,

Jill I. Gostin, Region 3 Director Elect
