

To: Region 3

From: M E Randall

Date: 16 July 2018

Subject: MOVE Committee Status Report.

Good contacts with societies at BOD Series for MOVE. 15 MOVE STEM and public visibility events reaching over 50,000 people reported by New ED in his opening remarks. Including Philadelphia inner city school event. Great job team!!

Hurricane Season started June 1. Quiet so far. Ocean temp currently lower than last year. Stay tuned.

Respectfully submitted,

Mary Ellen
