Ken,

Last Monday I met with Kristin Bing (Atlanta Section Chair) and Melody Richardson (Atlanta Section k-12 Outreach Chair) to discuss funding for the 2019 Atlanta Science Festival's Exploration Expo. We kindly ask the Region to consider the funding levels requested below.

\$5000 - Sponsorship of Curious Kids Zone to be split 50% between Atlanta Section and Region 3

\$4000 - To cover costs of printed materials, handouts, and trinkets for the MOVE truck. Additionally, the funding will be used to cover any additional MOVE training and travel expenses.

Total request from the Region to the Section is \$6500.

Thank you,
Chase Battaglio
Region 3 Secretary
