 CC: Region 3 Committee  
 Fr: David Green, R3 SOSOC Chair  
 Dt: 29 October 2018

The committee met on 26 September 2018. The committee discussed a number of items in progress including MOVE deployments, Section Support/Member Activities. The various mentors reported on their efforts with the other Region 3 Committees. The next meeting will be 3 December.

The Region's Goals for 2018–9 are

3. Grow and nurture Section Support and Member Activities Committees
4. Strengthen SoutheastCon
5. Increase focus on YP, WIE and students
6. Ensure Policies and Processes are documented and useable
7. Encourage Projects
8. Increase Collabratec Usage

An effort to map these to committees yielded (x means committee contribution to goal):

Thanks to the Committee Chairs who made detailed reports that have been summarized above.

If one looks down the columns, there is activity against all goals and either an “ongoing” or “completed” status by some committee on their portion of this goal. Additional analysis of the submitted information will be done by the SOSC and it is expected that this report will be updated several times of the next year.

In effort to assist the Webmaster during busy times at his work, I have made some updates to the Region 3 Website with his permission.
