In support of the Section Support Committee (SCC), I have reviewed the most recent election dates for Section Chair, using that as a proxy for elections:

Region 3 Area 1 Section Chairs (and in-office dates)

- Central Virginia, Sathish Anabathula 2019-01-01
- Virginia Mountain, George Williams 2017-02-24
- Hampton Roads, Vukica Jovanovic 2017-01-01
- Richmond, Steve Kemp 2014-05-01

A Webex conference is planned to consider the needs of each Section, individually and collectively.

IEEE Region 3, Area 1 Virginia
