

IEEE Miami Section Report to
Region 3 and Florida Council Meeting
April 12-14, 2019

Goals

1. Start planning for the section/society technical and social activities for summer and fall.
2. Continue supporting all society chapter activities and student branches. We will also continue the support of the student branch chapters for IAS, PES and EMBS.
3. Elected new WIE Chair (Fatima Zahra). Our Section Secretary Mr. Hany Habib, will represent the section at IEEE Region 3 Southeast conference).
4. Continue our efforts in support STEM outreach efforts to local schools
5. We continue to support the student branches activities at FIU, UM and MDC.
6. We will continue to push for more technical chapter activities and meetings.

Milestones

1. The section organized the National Engineers Week Future City Competition for the 18th year in a row. It was held on January 19, 2019. The section was collaborating with other Societies in South Florida including, FES, ASCE, among others.
2. The section organized IEEE IWAT2019 conference that was held between March 3rd - March 6th in Miami, FL.
3. The section is sponsoring **The Applied Computational Electromagnetics Society (ACES) 2019** conference that will be held between 14-18 April, 2019. At Hilton Miami Downtown. These conferences are sponsored by IEEE Miami Section.
4. We are planning future STEAM competitions and technical visits.

Obstacles

1. We continue involving some willing volunteers and support them for future involvement in the section activities. However finding new volunteers is difficult.
2. We continue to try on getting more industry support.

Mr. Juan L. Farah, Chair, Miami Section,
Dr. Osama Mohammed, Vice Chair, Miami Section
Hany Habib, Section Secretary.
