## **Awards and Recognition Committee Report**

Nominations were received for the following Region 3 award categories this year:

- Professional Leadership Award
- Biedenbach Outstanding Engineering Educator Award
- Outstanding Engineer Award
- Outstanding Service Award
- Employer Professional Development Award

The Executive Committee will be deciding on the winners. Thanks to all those who submitted or encouraged nominations. We have so many deserving people in Region 3!

## **Sections Congress Report**

Sections Congress will be held in Ottawa, Canada, in August of this year. MGA will reimburse one primary delegate from each section to attend, but Section's may use their own funds to send more. Many thanks to those sections who have let me know who their primary delegate will be. I respectfully request that Area, Council, and Section chairs help me to identify a delegate for the following sections:

- Central North Carolina
- Central Tennessee
- Charlotte
- Evansville-Owensboro
- Gainesville
- Hampton Roads
- Jacksonville
- Palm Beach
- Savannah
- Tri-Cities
- Virginia Mountain
- Winston-Salem

I will inform all delegates when registration and hotel blocks go live (expected by early March) as well as provide information on the reimbursement process. Please also see Director Gostin's report for additional information on events to be held at Sections Congress and submitting recommendations for MGA.
