Subject: IEEE Region 3 Conference Committee Report, January 2020
Date: Sunday, January 26, 2020 11:14:47 AM

All,

Happy New Year!!!! I am excited to be the Region 3 Conference Committee Chair for 2020-2021. I would like to thank Sean Haynes for his leadership and support Region's Conference Committee and count on his leadership and wealth of knowledge. Conference Committee has geared up its activities and have been engaged in the following efforts:

- Conducted a review of the draft SoutheastCon Operations Guide and started updates. Goal is to have an updated version available by SoutheastCon 2020 for Conference Committee to review, update and release.
- Conducted site survey and requesting additional information to identify a site for SoutheastCon 2023+
- Met with SoutheastCon 2021 and SoutheastCon 2022 organizing committees
- Worked with FinCom to update budget for 2020

Look forward to see all Region 3 delegates in Raleigh for SoutheastCon 2020!! If you have not done so, please remember to register for the upcoming SoutheastCon as the early registration cutoff is Feb 07, 2020 (<https://attend.ieee.org/southeastcon-2020/registration/>).

Regards,

Eric Grigorian, P.E., PMP
