Bylaw Update

Region 3 Meeting

- ▶ The proposed changes
 - Make some typographical changes
 - Remove references to SouthCon --- a conference sponsored by IEEE (Region 3, Florida Council) and ERA (Sunshine Chapter) which closed many years ago
 - Change a voting member of the Region Committee from Chair of **Member Activities** to Chair of **Conference Committee**
 - Region 3 is exploring its structure in this area, recently changing **Member Activities** to **Member Communications** and establishing a **Member Recruitment/Retention Coordinator** who is a member of both **Member Communications** and **Section Support Committees**
 - Because of these changes, the potential for others, and the importance of conferences to the Region, it was thought the change was appropriate and stabilizing

Process

Region 3 Meeting

- ▶ Detailed change tracking file showing the specific changes is online as part of agenda
- ▶ Proposed and endorsed by SOSC
- ▶ Endorsed by ExCom
- ▶ Submitted for approval to the Region Committee
- ▶ **Motion**

The Region 3 Committee approves the changes to the Region 3 Bylaws as presented.
