Subject: [R3-EXCOM2020] [IEEE R3] Student Representative Report
Date: Thursday, March 12, 2020 6:15:38 PM

Region 3 Executive Committee Members and Section Chairs,

It's unfortunate that SoutheastCon 2020 was called off. Hope everyone travels back safely.

Following is a brief update about the student activities carried out since the previous ex-com meeting;

- Preparation for Student Programs (competitions, leadership training, etc.) at SoutheastCon 2020.
- Held a Townhall (Webex) on 27th February for all student leaders in the region that was a repeat of the Townhall held on 16th February. We might have to re-think doing Townhalls in the future since we did not get many participants even after sending out an e-notice to all the IEEE Student Members in Region 3. An alternative would be to have a recorded session available on the website that covers the following topics which can be important to the student volunteers;
- What is IEEE?
- Student Awards
- Student Competitions in IEEE
- Benefits of the IEEE Students Program
- Student Branch Reporting

Respectfully yours,

Subodha Charles
Region 3 Student Representative 2020-2021
