Team,

I hope this email finds you and your families healthy and safe.

I am continuing my work with the FINCOM, SOSC, and Conferences Committees, all of which are sharing the work we are doing.

I want to thank those who volunteered to help the Sections create websites. I am working with the Area Chairs to outline what we want to see in a Section website, and what the best way to support the Sections.

I will be presenting my SoutheastCon talk on finding and engaging volunteers via WebEx later this month. Bill Marshall will notify you of the date and time.

Stay healthy, and as always, thanks for all you do for IEEE.

Theresa Brunasso  
IEEE R3 Director Elect
