IEEE R3 PACE Committee Report for May 18, 2020

Hello everyone.

We hope that you are safe, well, and feeling productive.

The Region 3 PACE Committee still has funds available for your efforts and is asking that you continue to submit requests that will enhance your local programs.

The committee is aiming to meet this week and again in a week to explore new ideas, new events. The PACE Committee will also present in the Region's webinar series in June. Tentatively, we are scheduled to present on June 17th in the 8:00PM timeframe. More information is forthcoming.

Your questions, recommendations, and ideas are welcomed.

Best regards,
Jacquelyn
