for Humanity

SoutheastCon 2021 Status Update

▶ Papers
  - Reviews of all 181 papers received have been completed.
  - 142 papers have been accepted. Acceptance rate is 78.5%
  - Notification letters to the authors will go out over the next couple of days.

▶ Have revised Sponsorship fees for the virtual conference, updated the Prospectus and sent it out to 20 potential sponsors. Two sponsors have signed up so far: SimTech and IEEE USA.

▶ Continuing practice runs of synchronous live Hardware Competition this week.

▶ Working to finalize list of paper session chairs and Webex host volunteers by next week.

▶ Information on YP and SAC events has been added to the website.

▶ Overall conference schedule to be finalized 16 FEB 2021.
