

IEEE R3 Melbourne Section Report for August 16, 2021 R3 EXCOM Mtg

- **Issues requiring action by the Region 3 Committee or ExCom**
 - No new issues

- **Success/Opportunities for Engaging the member, volunteer, non-member, public**
 - Our next Section Newsletter, the IEEE Melbourne Section Space Coast Signal, will be sent in mid-August as we are currently in our summer cool down period where business slows due to vacations and snow birds returning north

 - Our Section meetings are currently scheduled for odd months, on the third Wednesday of the month. Our next Section business meeting will take place on September 15th. We had our Section Summer Luau Social in July and it was very successful. We had the largest turnout in the past year and a half

 - Several PES Group presentations are currently scheduled or in the works. We hope the virus situation improves so we can get back on the path of in person presentations with tend to be more attractive

 - Due to the COVID-19 situation, our section meetings were attended by an average of 15 members on site and 5 via virtual means to date

- **Notable section activities (Positive and Negative)**
 - Our schedule thus far is as follows for the balance of the year and our Awards Banquet venue for 2021 is already reserved:
 - September 15 Section Meeting
 - November 17 Section Meeting
 - December 11 Section Awards Banquet
