Authority

Operations Manual can be changed with approval of ExCom with requirement of 7-day distribution prior to meeting

Scope

- Area Chair information harmonized with the presented Area Chair Responsibilities.
- Changes to Sections Support Committee as some functions moved to Area Chairs.
- Professional Activities - no IEEE-USA funding/reporting and harmonizing with the presented new PA process.
- Minor Items

Minor Items

- SOSC Mentors are SOSC members, not always Past Directors
- Includes references to <https://r3.ieee.org> for checklists and other information
- Define R3 N&A to be the required MGA Nominating Committee with additional R3 responsibilities
- Noting that Director's Award is handled by R3 Director

At its 1 November 2021 meeting, the Region 3 SOSC reviewed updates to the Region 3 Operations Manual and linked calendar. It recommends these changes be approved to become effective 1 January 2022.

Action

Moved that the Region 3 Operations Manual shall be updated as presented and take effect 1 January 2022.
