Subject: January 2022 Area 2 Report

Date: 24 JAN 2022

Since the beginning of the year, I have been familiarizing myself with the roles and responsibilities of the Area Chair position. I have also reviewed the spreadsheet that Pat Donohoe provided, giving the data from OU Analytics on the current officers in the Sections in my Area. In the coming month I plan to get in contact with the Chairs of the eight Sections in my Area and talk with them about their goals for 2022 and how the Region can help.

There is one operational thing I would like to check on. Since, as of 1 JAN 2022, I am no longer a Section Chair, it appears that I no longer have access to OU Analytics. Is it possible for Area Chairs to have OU Analytics access for the Sections in our Areas? It would probably save us pestering Pat on occasion.

Best Regards,
