

Past Director's Report
To: R3 ExCom, R3 Committee, R3 SOSC
Subject: Region 3 Past Director's Report
Date: 21 Feb 2022

As you will recall from last month, I am serving as the R3 N&A Chair. You have all been sent the Call for Nominations for candidates for Region Delegate/Director-Elect for 2024-2025. I'd like everyone receiving this email to consider submitting the names of individuals (including yourself) that are worthy of being considered. In fact, **I challenge each Section Chair to submit at least one potential candidate** that the N&A committee can consider! Send the names to me at jgostin@ieee.org.

I hope to report to you on Monday that a new MGA Committee, a Chapter Operations Support Committee, has been established. Two motions will be before the MGA Board on Saturday, 19 Feb, one to accept the MGA Operations Manual changes for forming the committee and one to allow VP Koehler to appoint the members for the first year. I have been working towards this since 2019; I'll let you know what happens!

Thank you for your contributions to our Region and to IEEE.

Respectfully submitted,
Jill I. Gostin, Region 3 Past Director
IEEE VP-Elect, MGA
