At the June Region 3 ExCom meeting, the slate of candidates for Region 3 Director-Elect 2024-2025 was approved. At the 19 September Region 3 Committee meeting, voting members of the Region 3 Committee will participate in an executive session (at the end of the meeting) to review and endorse or reject/send back the slate. **It is important that all voting members attend this 19 September meeting! Voting members of the R3 Committee include all voting ExCom members plus all Section Chairs (or their designated representative, if approved by the R3 Director before the meeting).** Once we have an approved slate, it will be sent to IEEE staff. They will gather information from the candidates as needed. The election will be Aug-Oct 2023.

Respectfully submitted,
