IEEE R3 Richmond Section Report

SEP 19, 2022

Issues requiring action by the Region 3 Committee or ExCom

None at this time.

Successes/Opportunities for Engaging the member, volunteer, non-member, public

- The Virginia Commonwealth University Student Branch held their first meeting of the academic year and it was well attended. They are planning to have elections in October and hope to schedule one event per month.

Notable section activities (positive and negative)

- The Richmond Section ExCom had a planning meeting to prioritize the activities that we want to focus on in the next several quarters.
- Since many of our volunteers' careers are getting very busy, we are struggling with finding new volunteers to run for Section office.
